

## 2020 Drifting the Plains Points Series

New for 2020, Drifting the Plains will be holding a tandem battle points series. The battles will be held the Saturday of each DTP weekend: Saturday, July 18, September 5, and October 3.

To be eligible for competition, you must purchase a weekend drifting pass for the event, pass technical inspection, and be an approved driver. Driver approval will be based on driver skill level demonstrated on the course. Drivers without proper tandem skills/experience may not be allowed to compete. There are no additional fees to compete. This competition is for grassroots and ProAm drivers only. If you have earned a Pro1 or Pro2 license in the last 10 years, you may not compete.

All competitions will be single elimination, and pairings will be via chip draw. Points will be awarded based on finishing position.

Winner – 100

Runner Up – 90

Third – 80

Fourth – 70

Quarter Finals – 60

Round of 16 – 40

Round of 32 – 20

Round of 64 – 10

Each competition day, awards will be given to the top three finishers. At the end of the year, cash awards will be given to the top three finishers in the points series.

First place in the points series - \$1000

Second place in the points series - \$500

Third place in the points series - \$250

In the event of a points tie, tiebreakers will go in the following order:

1. Head to head record
2. Best event finish
3. Second best event finish
4. Third best event finish

As with all DTP events, we will have two run groups throughout the day, with run groups lasting one hour. One run group will include the competition drivers, the other will not. To keep drive time higher, the competition will take place over 2-4 run groups, so the competition doesn't take up the entire drive session and eliminated drivers can get back on the track.

DISCLAIMER: Track staff are allowed to compete, but not allowed to judge. Track staff may win daily awards, earn points, and place in the season points, but may not win any cash/product prizes.
